CAMELLIA FESTIVAL 3-DAY 100 MILE RACE -

Dave Russell, 25, of the Los Angeles Striders, won the 3-day 100 mile race, held March 9-10-11, in a cumulative time of 14:02:01.

He was trailed by Paul Reese, 55, DSE'er and Northern California Senior, in 14:31:47, the only other finisher.

The race, run at the rate of 33 1/3 miles per day, was over hilly and scenic countryside. Both Russell and Reese finished the 1970 3-day 100, in 11:57:51 and 12:44:12 respectively over the flat courses, and both rated the 1973 route considerably more difficult but also more enjoyable. Reese also finished the 1969 3-day 100 and the 1972 1-day 100.

CAMELLIA FESTIVAL 1-DAY 100 MILE RACE -

As in the 3-day race, there were two finishers in the 1-day 100 miler. And what a sensational victory for Natalie Cullimore whose time was 18:09:16. Apparently she became the first woman ever to win a major road race open to men, and she became the only person in the U.S. who has twice run 100 miles in less than a day.

Two other DSE'ers took part in this race: Dave and Steve Chatterton. Dave, 17, finished 55 miles in 13:14:35, and Steve, 12, retired at 20 miles. Congratulations to them also for their fine efforts!

24 HOUR RELAY...AND MORE

The 4th Annual Runner's World 24-Hour Relay will be held at San Jose State (tartan track) on July 13-14. The relay will start at 7:30 p.m. This year there will be awards for all teams. Briefly, the relay has 2-10 persons; each runs one mile and hands off to the next person in order. If a runner drops out, the relay continues, but with one less runner on the team. Entry fee is \$1.00 per person. Runner's World will supply batons, recording sheets, lights and man power to run the relay.

Four other events are also scheduled for the 24-hour period.

8:00 p.m. - 50-mile track run and walk. Bring your own lap counter and recorder. Entry fee is \$1.00. Runner's World will do the timing.

9:00 p.m. - 3-mile Fun Run, run like the other fun runs. Times will be read off as runners finish but they will not be recorded. No entry fee.

6:30 a.m. - 50-mile track relay (5 man teams each man runs 2-miles per leg). If a runner drops out, the team is finished. Each team needs one lap counter to help with this relay. 50¢ entry fee.

All of the above races are presented by Starting Line Sports and Runner's World Magazine. If you are running the 24-hour relay, please call by Thursday, July 12th. (415) 328-2911. Or, for more information contact:

DSE FORT POINT RUN - July 22, 1973

4 miles, 158 runners

Aug 73

Due to a misunderstanding in instructions, about the first 100 runners cut off $\frac{1}{4}$ mile of the run by turning around at the brick gate of the national monument instead of at the Fort itself.

WOMEN'S AND GIRL'S CROSS COUNTRY CHAMPIONSHIPS
November 11, 1973

by Joan Ullyot

Several DSE women got news via the underground of a major happening in the feminine branch of cross-country, ordinarily lumped with "Track and Field" and as such, foreign waters to most road runners. However, our own San Mateo hosted the recent State Cross-Country Championships and so a few road rats decided to view the scene and get in some speedwork that day -- distances ranged from 1 mile for the littlest kiddies (9 and under) to 3 miles for the women (14 and over), who are not to be confused with the girls (14 to 17) who only ran 2½ miles.

The meet drew over 500 participants in all age groups and was quite an eye-opener. The DSE women began to feel a bit ratty in their motley faded tee shirts, since all about them were intense teams blazing forth in spiffy racing silks with color-coordinated sweats and hair ribbons. Team competition was obviously very important to most of the young girls, many of whom collapsed after crossing the finish. An equal number burst into tears and generally appeared in agony. Since the distance was only about a mile, the collapse may have reflected lack of training or experience rather than exhaustion.

The course itself had to be changed because the preceding week of heavy rain had made the original dirt road a muddy mess which would have ruined some of the nice jerseys and sent many of the smaller girls into tears of distress before the finish. We ran instead on blacktop road around the College of San Mateo campus. Despite the firmer surfaces, there were frequent steep hills, cold rain and a stiff headwind which slowed the pace considerably. Both of the "senior divisions (14 and over) were won by half-milers Cindy Poor and Mary Decher, while outstanding distance runners Cheryl Bridges and Teri Anderson finished 3rd and 6th respectively. The pace was barely under 6 min/mile reflecting the adverse conditions.

FIRST ANNUAL CHRISTMAS RELAYS December 16

by Jack Leydig

With 92 teams entered, the first annual race turned into an organizer's dream, almost doubling the best-ever turnout at the summer Tahoe Relays. And the weather was even summer-like, with a warm sun shining over most of the run and temperatures in the mid-60's. With this year's unbelievable turnout, the co-sponsoring San Mateo Recreation Dept. & West Valley TC were looking ahead to more than 150 teams in 1974. This race was an attempt at something for everyone. . . .
