(see next column)

PRESIDENT TOPPLED

Walt Stack, our colorful president, apparently doing a Jerry Ford impression, fell on the job and hurt his back. This, friends, accounts for the bizarre sight of Walt in clothes at the last few races. The X-Rays are negative and the Illustrated Man should be back in action soon.

78 Jim Campbell	25:23

HEY KIDS, BE THE FIRST ON YOUR BLOCK TO MAKE A MILLION DOLLARS

For a limited time only Walt Stack has available one (1) franchise for the exclusive rights for the sale of the DSE turtle T-shirt. Ruth Dettering is into Girl Scout cookies or something and has let this valuable secure slip through her fingers. You can earn big cash for your club or even for your own greedy little purposes by selling the "San Francisco Runners" shirt. See Walt about acquiring the shirts. All your friends and relatives will want one. If they don't, just tell Buck (The Enforcer).

P.S. This offer is open to all adults as well.

ANY AGE-GROUP RECORDS YET

To Mike and Hibbe Jones was born on 12/29/75 a son, Liam Clifford Jones.

DSE Lake Merced Run

If there's anything you would like to see in the newsletter (no, my resignation doesn't count) do let our editorial staff know. It's better to send a letter because the switchboard is always so busy (UPI, API, Reuters, etc., you know). We will print articles, cartoons, photos, and the occasion-Bar Mitzvah announcement.

Due to a technical difficulty at the finish no times are available. Our apologies (D).

Whaddaya mean, no times available? What kind way is that to run a race?

As the year draws to a close, we look back fondly over the collected newsletters and the responses from our readers. It's been a good year for all of us. Walk now down memory lane as we remember the best of the DSE, the warm wonderful little bits that struck responsive chords and those things you readers asked for again and again in your questions, calls and letters.

- Walt Stack's zip code is 94114.
- Foo Kennedy's time in the Fort Point run was 26:40.
- We're out of those ribbons.
- Next year, the part of Walt Stack will be played by George C. Scott.
- And last but by no means least, the answer to that favorite question of all---

The public restroom is two doors down from the Dolphin Club in the white building.
Yeah, I know- those nostalgic trips choke me up too, but remember- it's good to look back over where you've been, or you lose sight of where you've been.

THANKS FROM THE THIRSTY

Jan 77

Jim Major, proprietor of the Marina Sports Center at 3344 Steiner Street between Chestnut and Lombard, has developed a secret formula electrolyte replacement drink which he has been testing at recent DSE races. Judging by the eager response of the post-race crowds, this new product should drive Gatorade, ERG and Body Punch out of the market with ease.

Trying to get a drink of the elixir from Jim after a race requires the same sort of tactics usually reserved for use by the better scratch runners on the Dipsea stairs.

In addition to providing fellow runners with life restoring fluids after the race, Marina Sports Center also offers a complete line of running shoes and other paraphernalia including Nike, Addidas, Puma, Tiger and New Balance.

BULLETIN FROM THE CHRISTMAS RELAYS

Rudolf's Reindears have added another 'D' to the name of their arch rivals, the DSE Dirty Doctors, so that henceforth they will be known as the Defeated Dirty Doctors!

Another stalwart DSE team, Ye 7 Olde Phartz, ages totaling almost 500 years, came in 187th out of 193 teams.
