GO CLIMB A MOUNTAIN

The Pike's Peak Ascent is scheduled for Saturday, 8/18/84 at 7 a.m., and the Pike's Peak Marathon is on 8/19, also at 7 a.m. Walt Stack gets a group together to go, including women from the Peak Busters group. They leave for the Peak a few days early so that they can become acclimated to the altitude.

The deadline for entry is August 15. However, it's a good

idea to enter early, since it fills up quickly. The ascent is limited to 1500, and the round trip has a limit of 1000.

Both races start at an elevation of 6500 feet and ascend to 14,110 feet. Temperatures can vary from 15 to 85 degrees. Weather has been variable.

If interested, contact Carl McDaniel, c/o Pikes Peak Y/USO, P.O. Box 1694, Colorado Springs, CO 80901.

TORCH BEARERS

The Olympic Torch passes through San Francisco on its way to the games in L.A. Several DSEers, including Harry Cordellos, Don Reid, and Doerte Murray participated in the Torch relay which went through over 10,000 U.S. cities and towns.

(Photograph by Bill Haber.)

WOMEN'S FESTIVAL LEGION OF HONOR RUN

The Women's Festival Legion of Honor Run took place this year in cool conditions under cloudy skies. Although one of the tougher DSE races, there is no shortage of talent. Mary Etta Boitano again showed that this is her race, as she not only won the women's division, but came in 10th overall. Mike McManus put in a very creditable performance in winning in 24:22

Photographs: (Right) Mike McManus strides up one of the three hills. (Below) San Francisco is known for its sometimes strange denizens. One runner attempts to push the statue at the Palace of the Legion of Honor over, while another is caught in a friendly pose with said statue. (Photographs by Bill Haber)

Although the Golden Gate Bridge Vista Run was delayed a half-hour to allow the Presidio 10 race to clear the bridge, it certainly didn't dampen the enthusiasm of the runners who enjoyed the passing spectacle. Allan Stanbridge carried off first place in 28:43. Young up-and-coming Alva Dancel captured the women's title in 37:23.

In 1968, the National Jogging Association was founded to promote running and the its health benefits (Walt Stack is a charter member). Along with a diverse program of member benefits, they named one day a year as National Jogging Day, encouraging running clubs to participate and to draw attention to the then fledgling sport.

In 1981, the organization's name changed to the American Running and Fitness Association. National Jogging Day became National Running and Fitness Day (NRFD). This year it occurs on 10/14. However, DSE will celebrate it on Sunday, October 14th at our Mission Rock Run. NRFD certificates and ribbons will be awarded to all participants.

See you there!

For additional information on ARFA, contact: American Running and Fitness Association, 2420 K Street NW, Washington D.C. 20037, (202) 965-3430

NEEDED

PEOPLE!!!

The DSE has two positions opening up immediately: Membership Chairperson, and Folding Sessions Coordinator.

Danelle Storm, current membership chairperson, has held the position for about a year. In that time she has managed to introduce some organization into the membership lists. As a result, anyone taking over from her will have a somewhat easier job than previously.

Deborah Neil is resigning as the current folding session coordinator. A prospective coordinator needs to know some of the members in San Francisco who would be willing to loan the use of their homes occasionally. Also the purchase of stamps, delivery of mailing lists, and (usually) mailing needs to be arranged.

If there are questions, call Danelle (membership, 753-0954/665-3282) or Deborah (566-9292). To volunteer, contact Walt, Annabel Marsh (566-2542) or Pat Magee (668-1262).

Table of biathlon results for participants 45-55, including names and times.

Table of biathlon results for participants 56-74, including names and times. Includes a 'Teams' section at the bottom.

CORDELLOS HONORED

The Ocean Beach Run on September 16 was designated Harry Cordellos Day. Harry has had an excellent year. Not only did he win a marathon outright, but placed second in the National Blind Marathon Championships, which were run as part of the Boston Marathon. Harry also turned in a creditable performance in Spenco's 500 mile bicycle race across Texas this summer.

In addition to his heavy training and racing schedule, Harry is a prolific writer. His latest book, "Breaking Through" is currently carried by Anderson Publications (Runner's World).

Besides the celebration by the DSE at the Beach Run, Harry also carried the Olympic Torch during the relay this summer, courtesy of a sponsoring group in Arizona.

As part of the celebration, he completed the approximately six miles of the tough beach course in 48:32.

Harry Cordellos signs in and gets psyched up for the Beach Run. (Photograph by Bill Haber)

LETTERS

Dear Editor:

This is an open letter to all race directors. I appreciate your efforts, time

and organizational skills needed to make runs go so smoothly. But, why do you have to charge such high registration fees? For example: Zoo Run \$12.00 prior to race and \$15.00 race day. Let's have more runs with optional T-shirts, and cut registration fees.

George Sacco
