Kid's Korner

□ Sally Buchmann
Kids' Race Director

January 18th, we had a balloon and fun filled Gala, and some of the 12 and under kids received trophies. Sixteen girls and 20 boys competed in 23 races in 1996.

Laura Elsener received the large girl's trophy for being fastest and for completing 17 races. Her brother, Jeremy, received the large boy's trophy for being fastest and for completing 20 total races!! WAY TO GO!!! Next, two brothers tied for completing 7 races each and received small trophies — Zarek and Kayin Wong! Let's keep it in the family! Ben Pechner also came away with a small trophy for completing 5 races. Good work Ben! Last but not least, we had 2 Junior Star Runners present, who received certificates for running less than five races— Maya Wong, who ran in 2 races and Molli Hauke, who ran in 4 races! Keep on running kids for fun, prizes and ribbons and you too will be eligible for a trophy for 1997 even if you run in only 5 races!!! There are 20 Kids' Runs in 1997 so everyone has a good chance to win!

March Kids' Runs

- March 9th at the Dolphin Club

April Kids' Runs

- April 20th at Sloat Parking Lot

May Kids' Runs

Mahoney's Trinidad Clam Beach X11

by Ceis Wildin

Trinidad Race—from left to right, Wally Rapozo, Liese Rapozo, Ceis Wildin, Mike Kiser, Jane Colman, Don Watson, Jim Pommier, Marty Maricle, Stu Etzler, Lucy Wing, Neil Mahoney (putting on a hat) and Vicky Wilderman.

February 1997 —Trinidad, CA. The trip began with loading the van in the darkness at Neil Mahoney's home - how to get all the stuff each member of our group felt they needed for three days, under the seats and out of the aisle, so the group joining us at the next stop would still fit! Roll call in South San Francisco included the following: Our Fearless Leader, Neil Mahoney, Jim Pommier, Myra Green, Liese & Wally Rapozo, Ceis Wildin, and Leffy Garbisch. Neil took the wheel and we left South San Francisco on time, reaching our first stop with two minutes to spare, according to the time log being monitored by able co-pilot, Myra. Joining us at Vicente and 20th where Don Watson, Jane Colman, Lucy Wing, and Stu Etzler, (with bike). We reached our final San Francisco stop to load Marty Maricle and Vicky Wilderman, just 10 minutes off of the target time schedule. Since the stop in San Rafael was not necessary this year, we got back on schedule prior to reaching our first pit stop in Cloverdale.

Now, you may wonder why all the fuss over staying on schedule...It just so happens that "schedule watching" is part of the tradition. Keeping up on the schedule is as important as reviewing the pictures in the photo albums, and talking about the year it snowed, or naming the Six Rivers,

or counting the number of times we cross the EEL river and the SOUTH FORK OF THE EEL. We are always happy to have Don Watson along, since he can read the fine print in the newspaper articles about the race in years gone past, so the runners can compare their times from other years. This year we had much faster times than last year for the runners that participated both years. Now, what do you attribute that phenomenon to, since we all age each year? The answer had to do with the weather, and the fact that there were three ropes across the river this year!!

Mike Kiser joined us at the Parducci Winery north of Ukiah, and wine was sampled, compared to prior vintages, and purchased for gifts or on orders from those who did not come along this year. The annual football-toss-in-the-parking-lot took place in the gently falling rain, and we discovered that Lucy would make a great stand-in for Jerry Rice!

On to Garberville for lunch, and then back on the road to Trinidad! First stop in Trinidad was to get the race shirts, and for any members of the gang who did not pre-register, an opportunity to register for the race.

Then we made a stop at the store for goodies, and a stop at the hardware store for extra van keys (as we got nervous with

LETTERS TO THE EDITOR

True Grit

It's always interesting to see which of the "hot shots", in the (choice) one and 2-lapper around Lake Merced, will opt for which in an effort to place, as on July 6, 1997.

A very inspirational thing happened after the awards ceremony and as the gabbling crowd was dispersing. Four girls had placed, and Teddy Vincent, our foremost writer, was jogging quite a bit. It seemed a tad unusual, but I didn't pin him down.

Then came Dina Kovash, in 1:39, to place 5th. And 19 minutes later, Bernice Brucker-Vincent, in 1:58, to finish the double in 6th place. Both girls gave themselves a birthday present in doing this, Dina the 8th and Bernice the 14th.

In the spirit of Walt Stack, beautiful birthday kudos to both.

For the record

In the April issue, the letter entitled, "On the Loss of The Great Dick Collins", should have read "250 ultras and 200 marathons in just twenty or so years...."

In the July issue, the author of the letter entitled "the Silent Observer" in the Letters to The Editor section was inadvertently left out. The author was Tony Stratta.

Come out and lend a hand or food at the DSE Distance Classic

The DSE Distance Classic is back by popular demand from those Ultra and would be Ultra DSE members. Please note the change in date due to conflicts with other races from September 7 to November 9.

You too can join in the camaraderie as those incredible runners make their laps and as we, the volunteers, make sure there is enough water, citomax, fruit, cookies, and vaseline to make their day positive and successful! We only ask a minimum of one hour, but volunteering for longer would be great as well. For those of you who can't come out that day to volunteer, maybe you could bake cookies or bring other goodies to fuel the runners. (i.e. bananas, melons, fig bars, peanut butter and jelly sandwiches, chips, grapes etc., etc.).

If you can commit a block of time on Sunday, November 9 from 7:00 AM to 7:00 PM please call **Sally Buchmann, the Distance Classic Race Director** at (415) 406-6235.

Race Director's needed for Sunday Races

The following dates are still available for those of you who are interested in being a Race Director. And for those of you who have never taken on this important role or have thought about it – just go for it. Your participation is very much appreciated and it's a great way to help out the club.

You'll find the signup board at the Sunday races or contact **Marian Lyons** at (415) 431-0413.

them. If your urine is dark yellow or you have not urinated in the last couple of hours – STOP! Rest and reload on fluids and food. This situation happened to me at a 24 Hour Race. I stopped for 30 minutes and just kept drinking fluids. I was able to finish the rest of the race with over 100 miles.

Enjoy the pace. Your pace should be a comfortable one. And it should be, since you have 12 hours. Allow yourself to talk to your fellow runners. If you need to rest, then rest. A little break may jolt you into lasting longer and maybe performing better in the latter stages. Be prepared. Put tape on hot spots that may turn into blisters. Keep a variety of clothing around as the weather may change. It is helpful to have a few extra pairs of socks and an extra pair of shoes. Vaseline is a must in those places that rub against each other.

What do I think about for 12 hours? There is no one answer to this one. Some focus on just running. Some are able to work out solutions to problems at work or home. For me, I try to notice details about the race course. One thing I like to remind myself is that for 12 hours I am away from work and home responsibilities – it's just me and my running. Finally, just have fun. Be thankful for what you will accomplish

ULTRA RUNNING

Hour Distance
Classic

The race will have prizes donated by *Ultrarunning Magazine* and *Human Kinetics*. Prizes include training books and subscriptions to *Ultrarunning* and *Marathon and Beyond* magazines.

Runners and volunteers will be eligible for the prizes. The raffle will be held during the last couple of hours during the race. Runners and volunteers need not be present. If you have questions about the race, call **George Rehmet at (510) 879-1940** or if you wish to volunteer take a look at the volunteer section on page 3 for more information. But if you're willing to take the challenge then the entry form is ready for your signature.

Note: The number's 1,2,3,4,5 next to the runner's name represents the first five female runners to cross the finish line.
